The following information is required so that we have a complete backstory for each camper in order to best meet their needs. We will NOT reject a camper's registration based on this information, but failure to completely disclose key information about a camper's needs or behavior could jeopardize their ability to remain at camp.

Does your child have an IEP (individual Education Plan) at school?

- No  Yes, for behavior only  
 Yes, for academics only  Yes, for multiple needs

Please describe any emotional or behavioral disorders or difficulties:

Does your child take any medication for the above? If yes please specify:

**Interests & Summer Goals - Please introduce your child to us!**

## Notice of Warning

There is a potential risk in participating in any camp program. Camp staff have established rules for participation, and proper conduct during all activities, and they must be followed.

- I assume full responsibility for my son/daughter's participation. Maple Key Day Camp, the camp director and staff, and our rental facilities (when applicable) will not be held responsible for any injury or illness incurred while my son/daughter is at camp.
- I agree to the terms of enrollment as set out on the Maple Key Day Camp website and current brochure.
- I have read and agree to the camp rules and registration guidelines as stated in this registration package. I understand that if my child's behavior should be such that he/she is asked not to return to camp, no refund will be provided.
- I give Maple Key Day Camp permission to use my son/daughter's likeness in camp photos and new media.

## Registration & Cancellation Policies

1. In order for a space to be fully reserved, both a signed permission form and minimum \$100 deposit must be received. Deposits will be applied to your final week.
2. Registration is by the week only. Registrations for individual days do not support our focus on community and will not be accepted. We cannot refund individual days missed.
3. Once the summer season commences, refunds for reserved spaces cannot be issued except in extreme circumstances and at the discretion of the director.
4. No-shows will not be refunded.
5. **New Camper Clause:** In the event that your child is not a happy camper after their first day, we ask that you communicate any concerns so that we have the opportunity to resolve any issues. If, after a second day, we are not able to win you over, we will happily refund your registration fee.

## Dismissal From Camp

We believe strongly in the power of camp to help children grow and develop. But in order to accomplish this goal, we must always maintain a safe environment for our campers and staff. The following behaviors may result in immediate dismissal from camp:

- running away / leaving camp property without permission
- self-harm or physical aggression of any kind towards fellow campers or staff
- willful destruction of property
- foul/aggressive language than does not respond to intervention

In the event that a camper must be dismissed from camp due to their behavior, no refunds will be issued.

## Camper Rules

The following items should not be brought to camp:

- **peanut or nut products**
  - jewelry and watches
  - money and other valuables
  - toys – especially electronics
  - trading cards and other “fad” items
  - cell phones and other communication devices
- \*Please Note: Inappropriate items brought to camp will be kept in the camp office for safekeeping and returned at the end of the camp season.*

1. Proper footwear (running shoes & socks) is essential for camp activities. Please do not wear flip flops or crocs to camp.
2. Campers are closely supervised at all times. They must ask permission before leaving their group for any reason.
3. Foul or inappropriate language will not be tolerated.
4. Campers are not permitted on the portion of the lawn closest to the road, and should never kick or throw any object in the direction of the road.
5. Medications may NOT be kept in the camper's possession at any time and should be turned into the camp office for safe keeping. The only exceptions to this rule are epi-pens and emergency inhalers, which must be carried on the camper at all times. For safety and insurance reasons, we will not administer ANY medication without written instructions from a parent or guardian.
6. Campers are expected to show appropriate respect for the staff, facility, equipment, other campers and their belongings at all times.
7. Due to the high frequency of nut allergies, no peanut or nut products are permitted in camper lunches. Please check labels carefully.
8. We maintain a “closed door” policy during the camp day. While we welcome and encourage parents to meet our staff and view the facility, we monitor guests carefully. This is for the protection and safety of our campers.
